Smiths Ln Discovery Garden

We have our beautiful garden for your children to explore & let their imagination run wild. However, we do have a few rules to ensure everyone can enjoy the discovery garden safely.

Garden Rules

- Here at the Dairy we always play nice, sharing our toys with words that are kind
- We care for the garden, 'cause plants are our friends. We're gentle with all their leaves, sticks and stems.
- We have fun and climb, we always explore! But we don't run too fast, or we'll end up sore.
- Please always make sure an adult is near, so we can play safely without any fear!

Parents, we appreciate you keeping a close eye on your kids in the Discovery Garden!
